

A vibrant, colorful border surrounds the central text. It features illustrations of various fruits: a whole orange with a green leaf at the top left, a sliced lime at the middle left, a whole yellow lemon at the middle right, and a sliced watermelon at the bottom left. There are also several cocktails: a martini glass with a red cherry and a blue stirrer at the top right, another martini glass with a red cherry and a blue stirrer at the middle left, and a tall glass of yellow bubbly drink with a blue stirrer at the bottom right. The background is a light cream color, and the entire design is framed by a thick, light blue border.
